

Landscape Architect/Designer
Faris Planning & Design

Faris Planning & Design, LLC is a land planning and landscape architecture firm located in Columbus, Ohio. The firm works on a broad spectrum of project types, including residential, commercial, office, and industrial.

We are looking to expand our team by adding an entry to mid-level landscape architect. The primary function of this position will be a support role, assisting the staff in meeting deadlines for various projects, and with day-to-day office tasks.

Position Description:

- Assist staff with production of site plans, elevations, and various other design exhibits
- Hand-draft and computer-draft plans and sketches for use in the design process
- Digitally render site plans and associated exhibits for various projects
- Aid staff with production of construction drawings
- Perform visits to project sites and carry out tree surveys
- Assist with day-to-day office functions, as needed

Education/Experience Required:

- Undergrad/Graduate degree in Landscape Architecture
- 0-5 years of experience

Skills Required:

- Proficient in AutoCAD, Adobe Creative Suite, Sketchup, and Microsoft Office programs
- Proficiency in Lumion is a plus
- Able to work in a fast-paced environment and meet required deadlines
- Excellent communication skills, and ability to be a self-starter
- Excellent visualization skills with digital media; good hand graphics are a plus
- Basic knowledge of local plant material is a plus
